

A PENNY FOR YOUR THOUGHTS

By Penny Harland and
Sarah Patterson

This autobiography by Penny Harland (and Sarah Patterson), who is the second deaf/blind cochlear implant recipient in Queensland is a well written, detailed story. Penny explains the struggles she faced during her life, what she conquered, how she never let her disability stop her from doing what she wanted to do and to obtaining not one, but three university degrees. It is a story that will inspire you.
