

USB Wristband Order Form

CICADA Queensland offers a MEDICAL ALERT! USB wristband as a portable device for storing your medical information, including cochlear implant/s details for CI recipients, in the event of an emergency. This USB has a fillable PDF form for you to insert all your medical information. You can add other medical documentation and your current ID photo to the USB drive as well.

You could write your name and phone number on a small sticker and place on the inside of the wristband, in case the wristband is misplaced when removed.

One (1) USB wristband cost \$13.00 each, plus postage cost of \$2.20.

If purchased at a CICADA Queensland event the cost is \$12.
